Parent's Name(s) _____

Address _____ Zip _____

Home Phone Number _____

Cell Phone Number _____

Work Phone Number _____

Email address Parent _____

Email address Student _____

Please indicate which of the following is the best way to contact you DURING the school day.

____ Home Phone ____ Cell Phone ____ Work Phone ____ Email

EQUIPMENT CHECKOUT

School equipment will be checked out on an overnight basis only. Cameras may be checked out at 4:20 and must be returned by 8:50 the next morning. Equipment not returned on time will result in a one-week suspension from equipment, and the third offense will be a six weeks suspension. Illness is not an excuse for late equipment. If you want your child to be able to check out school equipment (camera's, bags, lenses, tripods, etc) you must read the following statement and return this page signed by a parent and the student.

I understand that if my child checks out any school equipment he or she is completely responsible for the care and security of that equipment. I agree to pay the cost of repair or replacement if equipment is damaged or lost due to the negligence of the student. The Canon Rebel cameras with lens, bag, battery, battery charger and cords will cost approximately \$600 to replace. The Canon 20D, 30D, 50D is \$1200 to replace. Repair of bent pins in the camera will cost approximately \$225. A lost lens cap is \$8. A broken filter can cost up to \$15 to replace. Tripods and monopods vary in price from \$30 to \$75.

My child has permission to check our school equipment and we accept responsibility for the security and care of that equipment.
